

PRN Ultrasound Scribe

Summary

Seeking a PRN Ultrasound Scribe to support radiologists by pre-reading ultrasound exams, helping to manage workflow, and ensuring quality control of ultrasound studies.

Responsibilities

- Manage and maintain ultrasound reading queue
- Scribe exams and assist with report documentation
- Identify and flag imaging quality issues
- Communicate urgent concerns with radiologists and site sonographers

Schedule

- PRN, as needed
- Weekday afternoons/evenings
- Hybrid (remote + in-office after training)

Compensation

- Per study rate
- Additional hourly rate for training (if applicable)

Qualifications

- Clinical ultrasound experience required
- Strong attention to detail and organization
- Ability to work independently
